# Damage Car Auction

## ***Business Content***

### ***Auction***

We are expanding our "Recycle Car Online Auction" Business. Our auction's goal is to revitalize the recycling market. To reach that goal we offer you our Live and Tender Auction.

### ***Logistics***

By setting up 22 yards all over the country and having 49 our own trucks, we realize smooth land transportation.

### ***Exporting***

We export 4,410 used vehicles in 2022. Our goal is to revitalize the used car market not only in Japan, but also in the world by receiving bidding and exporting requests from all over the world.
